Freddie's Bar-B-Que & Steak House

Serving great food and memories since 1955!

Come and taste the difference.

A **4:00 p.m.** departure from south Oklahoma City finds us on our way to northeastern Oklahoma's Green Country to the lovely town of Sapulpa. Sapulpa is the county seat for Creek County. It occupies an area over which 6 nations have flown their flags – Spain, France, England, Mexico, the Choctaw Indian Nation, and the United States. The character of Sapulpa was shaped by 3 historic factors – Indians, railroads, and oil. Once we arrive in Sapulpa, we will head to our dinner destination, **Freddie's Bar-B-Que and Steak House**.

The **Freddie's** famous barbecue tradition began when Freddie Joseph first served a few of his friends in the back room of his Drumright grocery store more than 60 years ago. Soon local residents flocked there... not to shop, but to eat! Today, his nephew Edmond Slyman and wife Sherian continue to expand the Freddie's tradition from its now familiar location on New Sapulpa Road. Loyal customers still enjoy **Freddie's** famous bar-b-que, plus perfect steaks and super seafood selections. **Freddie's** is a favorite full-service restaurant for friendly, comfortable atmosphere, generous portions and reasonable prices.

After our mouthwatering meal at **Freddie's**, we will head over to the Sapulpa Community Theater where we will enjoy the hilarious comedy "**Nunsense**". "**Nunsense**" follows the crazy antics of five nuns from the Little Sisters of Hoboken convent. When their cook accidentally serves up some tainted soup, 52 of the sisters are poisoned and die, leaving only five living nuns who were not at home the day of the toxic meal. When the convent's first in charge, Reverend Mother Regina, splurges on a plasma TV, the sisters find themselves strapped for cash, as they still have four dead nuns to bury (whose bodies are being stored in the kitchen freezer!). The nuns decide to put on a benefit performance of the musical *Grease* in order to raise the rest of the money before the health department discovers their secret.

The original production of "**Nunsense**" opened on December 12, 1985 at the Off-Broadway Cherry Lane Theatre, moving to the Douglas Fairbanks Theater for the majority of its ten-year run. It ran for 3,672 performances, becoming the second-longest running Off-Broadway show in history (after *The Fantasticks*). By the time it closed, it had become an international phenomenon translated into at least 26 languages with more than 8,000 productions worldwide. It has grossed over \$500 million worldwide, and more than 25,000 women have played in "**Nunsense**" productions worldwide.

After a fun-packed evening, we will return back to Oklahoma City still laughing at the funny antics of our five new friends...the nuns from the Little Sisters of Hoboken convent!
