Railin' the Bostons

Nov. 4, 2017

7:00 AM Depart Oklahoma City.

Arrive in Van Buren, AR and find the train waitin' at the station.

ALL ABOARD for our roundtrip ride to Winslow, AR on the **Arkansas & Missouri Railroad**.

Arkansas and Missouri Railroad's special passenger train services offer you 'A Window Seat to History' -- an opportunity to travel in the style of a bygone era. You can still enjoy the leisurely elegance of real train travel through the mountains and valleys of Northwest Arkansas. Over trestles with views for miles and through a quarter mile tunnel, your journey will take you all the way to the top of the scenic Boston Mountains and into the historic Arkansas River Basin. For some, the journey evokes memories of an era long gone. For others, it is the fulfillment of a wish to let their children and grandchildren experience the Golden Age of Travel just as they did when they were young. All enjoy a uniquely memorable experience reminiscent of American traditions in transportation. Whatever your reason to take the train, you are almost guaranteed to leave the Arkansas and Missouri Railroad with a feeling of nostalgic joy in your heart – and perhaps the remembered scent of a warm, home-baked Fourth-of-July apple pie in your memory.

Enjoy a scenic round trip aboard one of the vintage passenger cars. Sit back, enjoy the great views and visit with friends and family as we travel through the foothills of the Boston Mountains, across three high trestles (approx. 120 ft high) and through the 1700 ft tunnel at Winslow. A live narration along the way covers local history and key points of interest.

Lunch will be served while we travel.

Mid afternoon return to Van Buren allowing time for some shopping and exploring before departing for Oklahoma.

7:30approx. Return to Oklahoma City with fond memories of our **Fall Get A Way** to Van Buren and our time **Railin' the Bostons**.
